Subject -
Levy of octroi on additional items of articles brought into the Tiptur Town Municipal limits

--

With reference to your memo No A6 C 606/48-49 dated 1-12-1948, forwarding a copy of letter No L 5661 dated 25th November 1948, received from the Revenue Secretary to Government on the subject noted above and calling for certain information on the points raised therein, I have the honor to state that all the items of articles on which Octroi is now proposed to be levied by the Municipality are fresh ones and that they are not at all subjected to this levy

With regard to rates of octroi proposed to be levied on copra, cocoanut and jaggary, I wish to state that this taluk is a growing centre for copra and cocoanuts The most important trade which is being carried on in this town consists of copra cocoanut and jaggory The Municipal Council who considered again the points raised by the Secretary to Government, Revenue Dept at in his letter No L 5661 dated 25-11-1948, at their meeting held on 28-1-1949, resolved that about 2½ lakhs of bags of copra and about 50 lakhs of cocoanuts per year are being brought into this town, unlike in other Municipalities Even at the lowest rates of octroi now proposed on copra, cocoanuts and jaggory a sum of Rs 40,000/- per year is likely to be derived in respect of these 3 items of articles

The Municipal Council have also considered the fact that the important business may be affected if rates of octroi prevailing in other Municipalities are levied on them

A copy of the resolution passed on the subject together with a copy of the list showing the octroi dutiable articles in Tiptur Town Municipality at present are herein enclosed for reference
